Dear Parents and Carers,

Ms Nicola Beech

I am delighted to announce that Ms Nicola Beech has been appointed as Principal of Ipsley CE RSA Academy. She will take up her position from the 1st June 2015 following the departure of Mrs Hammond.

The Trust Board with the RSA and Diocese of Worcester have been eager to ensure that the major improvement realised under Mrs Hammond's leadership is maintained and indeed built upon. At the same time, members felt keenly that it was important to secure a high level of continuity and to provide assurance to both parents and pupils that this would happen.

Ms Beech, currently the Vice Principal, will be well known to many parents and certainly to all the pupils, whose respect she enjoys in great measure. She also has the full confidence of the Trust, the RSA and the Diocese of Worcester whose focus has been upon the educational welfare of your children and the coherence of their progression across the phases of schooling.

We would all wish Ms Beech well and assure her of our continuing support in her leadership of Ipsley Academy.

Yours sincerely

Reverend Will Adams
Chair of Governors
