Dear Parent/Carer,

Your child has been selected to participate in the 6 week believe programme. This programme will consist of 6 different activities that will encourage them to develop their confidence, personal organisation and life skills that will help them in the classroom and prepare for life beyond Ipsley.

We believe that ensuring pupils are prepared for secondary education will enable them to cope with the demands of this current academic year.

Included in the programme are activities such as water sports at Upton Warren, Zip wire and orienteering at Blackwell Court, Trampolining at Boing Trampoline park and also a cookery and creative arts day which will be based around healthy eating and diets.

The block of activities will begin on Monday 6th February and will continue on the dates expressed on the activity plan. Every activity will be finished during the normal school day so pupils can make their usual way home. As the programme is funded by the Academy, there will be no cost for your child to take part in any of the activities. Children should arrive in their full school uniform and will change when appropriate. On arrival back to school, children will change back into their school uniform.

Yours sincerely,

Mr. P Gripton
(Assistant DLS for PE)

Believe Programme

Please return this slip to Mr Gripton

Child's name:..... Class:.....

I confirm that I am happy for my child to take part in this programme

I do not wish for my child to take part in this programme
