

Maths and English Intervention

Dear Parent/ Guardian,

As you know at Ipsley we do everything that we can to ensure the academic success of our students. The progress so far this year has been good and our students have worked very hard. To ensure all will reach their potential we are providing extra intervention sessions this term. The level of the material will be closely suited to your child's prior attainment and everyone will be stretched in a supportive and positive environment.

Your child has been selected to attend extra intervention. The intervention sessions will take place both during form time and after school. The after school sessions are on a Wednesday until 4pm.

Please complete and return the slip below to Mrs Barker if you give permission for your child to attend. Also, please indicate whether they will make their own way home or be collected.

Yours sincerely,

Mrs Barker
