Dear Parent/Carer,

We are excited to announce that RSA Academies are leading a project to improve training for school staff in supporting the mental health and wellbeing of young people. Full details of the project are attached.

At Ipsley, all classroom-based staff will be involved in a training programme taking place across the 2017-18 school year. In order to evaluate the impact of the project, pupils will need to complete a survey for the organisations behind the project. None of the information shared will be used to identify individual children.

As a parent, you only need to reply if you **DO NOT** want your child to participate in the research by following the instructions on page 4 of the attached information. Responses must be returned by Tuesday 27th June.

Yours sincerely

Ms N Beech FRSA
