Dear Parents/Carers

We are delighted to be able to provide you with the link enabling you to access the Ipsley CE RSA Academy Parent Survey 2016-17!

The survey can be accessed via <https://www.surveymonkey.co.uk/r/PFPH6GL>. A link can also be found on the school website homepage.

As parent governor I have liaised with the governing body and our Principal Nic Beech to produce a survey that has been designed around offering a voice to parents and carers of the pupils at our school.

I have always felt passionately that the triangulation of support for our children between home and school is key to ensuring strong and productive relationships. This means constructive and meaningful dialogue between parents and school. As a parent of an Ipsley pupil I am a real advocate for the parent voice and I feel that this survey provides a genuine and positive opportunity for parents/carers to provide their own input regarding the educational experience for their child/children at Ipsley.

Modern day life is busy but myself and every parent I speak to wants the best for their children and this survey provides an opportunity to contribute and to be heard. By considering together what already works well in school and giving your perspective around that and also letting us know what may not be working so well; your voice could make a real difference to the ongoing development of Ipsley in providing the very best educational experience for our children.

Alongside this I would be delighted to hear from parents who would be interested in planning, leading, launching and developing a Parent Teacher Association at Ipsley. If this is something that you think you could offer some time and input with could you please add your details in the relevant section on the survey?

We very much look forward to hearing your responses!

I would like to take this opportunity to thank the governing body and staff for their fantastic support during my first year as parent governor and also to wish everyone a happy and safe Christmas and New Year!

Many thanks and kind regards

*Samantha Lune*
