Dear Parent/Carer,

We would like to invite you to attend our Year 6 SATs information Evening on Wednesday 25<sup>th</sup> January at 3.30pm or 5pm when your child's class teacher will give a presentation on the Year 6 SATs.

This presentation will give you vital information on the Year 6 tests. It will ensure that you and your child are well prepared for the expectations and implications of the tests in the lead up to SATs week in May and beyond.

We will also be giving parents the opportunity to sign up to English and maths workshops which will help you to support your child with the work they are doing in school. As well as this we will host workshops on children's well-being and growth mindset to ensure that the journey to the SATs is as stress free as possible!

Please complete the slip below to let us know which session on the information evening you wish to attend.

We look forward to seeing you at the SATs Information Parent's Evening and in our future workshops to help us support our children through the tests together.

Mr B Scarle  
Year 6 Team Leader
