Dear Parent/Carer,

With great pleasure we write to inform you that your child has been selected for the team that will represent RSA Arrow Vale and Ipsley CE RSA Academy at the regional final of this year's UK Mathematics Trust Team Challenge.

This will take place on **Tuesday 7th March 2017**. The venue will be: **King Edward VI Camp Hill School for Boys, Vicarage Road, Kings Heath, Birmingham, B14 7QJ**. We will depart at 9.00am and expect to arrive back at Arrow Vale between 3:30 pm and 4:00pm. We will be travelling by school mini bus and will need your permission to transport your child to and from the venue. There is no cost to you for this trip but you will need to provide your child with a packed lunch and cold drinks (unless your child is entitled to free school meals in which case it will be provided by the school).

The UKMT has been running this team competition since 2003. The competition combines mathematical, communication and teamwork skills and offers pupils another way to express and develop enjoyment of mathematics. In order to promote this work, there may be local media reporting on the day, so I would be grateful if you could give permission for your son/daughter to have the photograph taken or be filmed if he/she is asked.

Yours sincerely

Mrs Barker
Assistant Director of Learning and Standards for Mathematics
