

WEEK BEGINNING:

## Year 5 Newsletter

This week, Year 5 have had two of their lessons every day in the hall to help support Year 6 during their SATs. Behaviour has been excellent and they have completed many different activities developing their teamwork and creativity skills. On Monday, they had the challenge of creating the tallest tower they could out of newspaper and sticky tape.

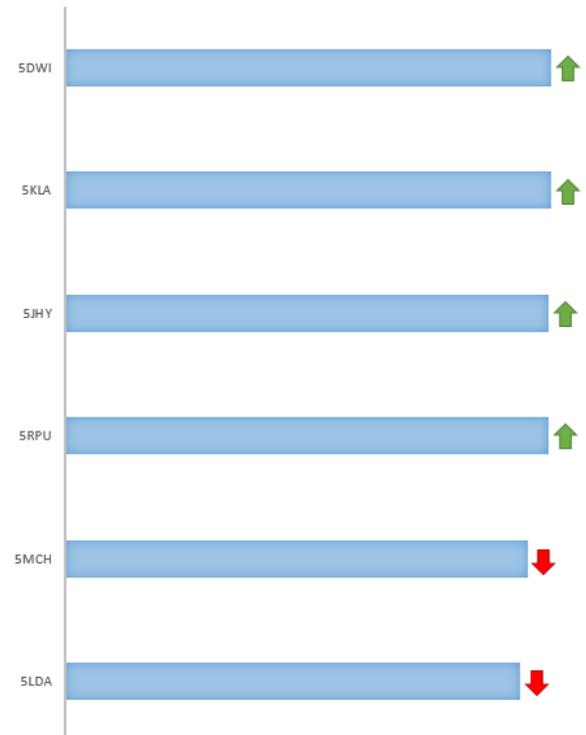

During the afternoons, we have started to gather knowledge about the Blitz in London in World War 2. Our next piece of writing in English will be linked to the Blitz so we have started the research this week before writing a newspaper article next week. All of the children have been really enthusiastic about this topic and we are looking forward to creating classroom museums.

On Tuesday 23<sup>rd</sup> May, Loudmouth, an educational theatre company, will be coming in to work with Year 5. They will be focussing on what a healthy relationship looks like and highlighting topics such as online safety, domestic abuse and following on from the NSPCC PANTS lessons that we taught earlier in the year. We will be calling this day 'Safety Day' and covering any topics that make your child feel unsafe. We will be doing a short survey with them next week to make sure we cover as many relevant topics for them as possible. There will be an assembly first thing in the morning for their theatre performance then each class will get a 30 minute workshop with the group leading on from the topics covered in the performance. All of these sessions will also involve their class teacher. Loudmouth is an excellent company who cover these topics sensitively for a younger audience – we are very lucky that they are able to come to our school. If you would like more information, please look at their website [www.loudmouth.co.uk](http://www.loudmouth.co.uk) and contact Miss Davies through the office.
