

Dear Parent/Carer,

6LDK have been chosen to be the first to have access to and explore a new website, launched by the school this week. You will find it at www.readwithipsley.wordpress.com. It contains a wide range of texts to explore with your child, from the sport pages in the newspapers, to brand new extracts of yet-to-be-published books! Alongside each text, you'll find a selection of questions and discussion points that you can explore together, too.

There is a good selection on there at the moment to get you started. A new sneak peek at a story extract will be released weekly on a Wednesday, and current affairs texts will be scheduled each Monday.

Have a good look, and if you have any feedback regarding texts you'd like to see, or questions about how to use the site, please let us know in the slip below.

Miss Danckert
Assistant Principal

'Read with Ipsley' website feedback

Child's name: _____ Class: _____

We have explored the new www.readwithipsley.wordpress.com website and we suggest:

We particularly liked:
