

**KS2 Revision  
10-4-10  
'10 minutes a day for 10 days'**

Dear Parent/Carer,

In order that your child has the best possible chance of gaining the expected standard in the Key Stage 2 mathematics, reading and SPAG test after the holidays, we are hoping you will encourage them to do some revision during the holiday break.

Your child has been given three booklets called '10-4-10'. This asks them to spend 10 minutes a day for 10 days on mathematics, reading and SPAG revision. They get the weekends off!

Every day, there are different types of questions to complete. Pupils write their answers on the sheets, but may need some paper for extra working out or note taking.

In order to help you support them, we have produced an answer booklet for both the Mathematics booklet and the SPAG booklet. In this you will find the answers and in some cases some hints so that you can mark each of the sheets when your child has completed them.

We would be grateful if you could complete the attached feedback form and return it to school after the holiday.

Thank you for your support.

Miss Parker  
KS2 Maths Lead

Miss Danckert  
KS2 English Lead

**KS2 Revision**

Please complete this form and return it to school after the holiday

Name of pupil \_\_\_\_\_ Class \_\_\_\_\_

My child found the revision booklets a helpful way to revise.

Yes

No

I found the answer booklets helpful in supporting my child.

Yes

No

If this scheme is repeated, I suggest the following changes:
