

WEEK BEGINNING:

## Maths

In maths this week, the children have been working hard on filling in gaps and misconceptions in their learning as we move closer to SATs. A variety of arithmetic and reasoning problems have been undertaken across the year group and our children are becoming much more confident in all aspects of maths.

## English

We have been writing a survival guide to Camp Green Lake, warning other campers of the potential dangers and how to cope with them. Based on some of the advice read so far, I definitely recommend you never find yourself in the position of having to go there...

## SATs Workshop

The first of our parent workshops went really well on Tuesday. The parents who attended found it very useful and had fun trying out the activities with their children.

Dates for the following classes are as follows:

Tuesday 14th March: LDk and SPa

Tuesday 21st March: CFe and BSc

There are two workshops on each date, one at 3:30pm and one at 4:30pm. If you have not yet signed up to attend one of these, you are not too late! Please contact your child's class teacher through a letter or note in their diary to book your place.

## Topic

The American Adventure continues... artwork, postcards and much more has been seen happening across Year 6 this week. 6LDK spend the afternoon in the art room printing pictures of wild American animals.

## World Book Day

Thank you and well done to everyone who involved themselves in the World Book Day celebrations. The costumes were fantastic! Well done to the winners of World Book Day who their prizes of a brand new book during assembly this week!

They were:

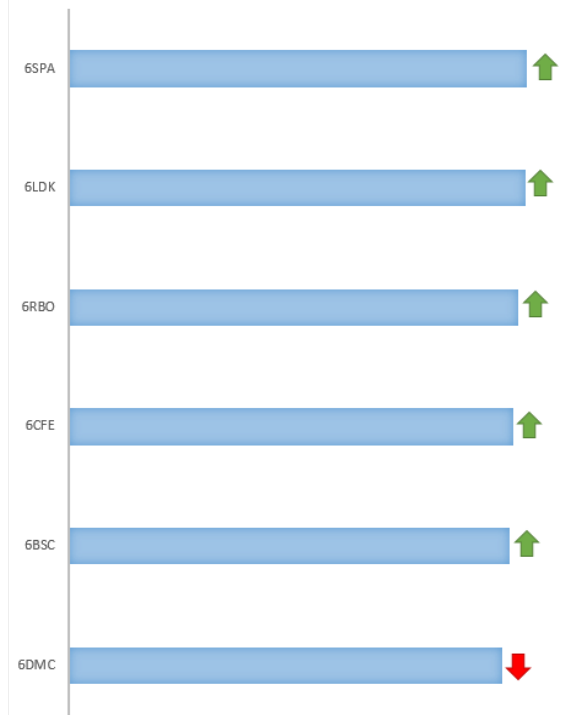

Ethan Hurton

Millie Tibbetts

Jaiden Bowkett

Olivia Kempka

## ATTENDANCE

Well done 6SPA!

## Star of the week

6RBO - Grace Wood

6LDK - Mya Mills

6CFE - Jessica Crump

6DMC - Daniel Walker

6SPA - Mason Lees

6BSC - Ella Edmonds
