YEAR 6 NEWSLETTER

WEEK BEGINNING: MAY 15

What a whirlwind week we have had! Year 6 have fully immersed themselves in a plethora of story writing this week, with some classes heading into the deepest, darkest, scariest graveyards; some reliving secret missions involving snails called Brian; some venturing into the realms of Jurassic Park… it's been exciting to say the least.

The children have worked SO hard with their writing, along with their entries for the KFC burger competition, and we are all immensely proud of them!

Read with Ipsley

This week's texts on the www.readwithipsley.wordpress.com website include: "What is Hacking?" after the NHS hacking scandal last week, and "Great White Sharks"- this one was particularly interesting after that poor soul in America was caught in the shallows, surrounded by fifteen Great Whites! Check them out and enjoy!

Dates for the Diary

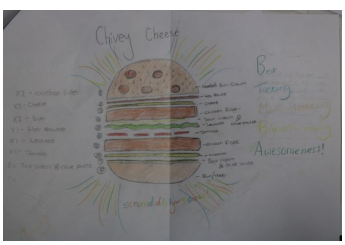
Wednesday 24th May, 5:30pm: Pioneer meeting for all parents of children going to Pioneer. This evening will give you plenty of information about the trip, get into the nitty-gritty of details and allow you to ask any questions you may still have unanswered. We look forward to seeing you there.

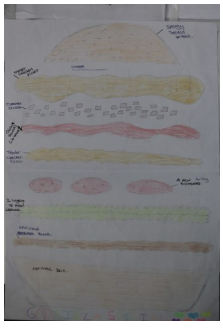
Reminders

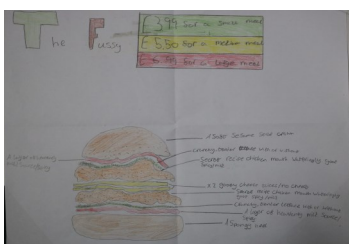
o Fidget spinners are banned from school so please make sure that your child is not bringing them to school as their teacher will take it off them as they are a distraction in lessons.

o Children should not be bringing anything of any value to school as it can be easily lost and can often be hard to find again as they move around the school so frequently.

O Friday 26th May is the last day of this term. School opens again on Monday 5th June.







Well done 6SPA!

Star of the week

6RB – Daniel Oakes

6LD – Kacy Robinson

6CF – WHOLE CLASS

6DM – Emily-Rose White

6SP – WHOLE CLASS

6BS – Emily Williams
